GSR Matric HR SEC School

69%

TECHNICAL SKILLS

- HTML
- CSS
- JAVASCRIPT
- BOOTSTRAP
- REACT.JS
- NODE.JS+EXPRESS.JS
- MONGO DB
- VS CODE

PROJECTS

- “Text-to-Image Generation Using Python Web Application”

Tech Stack: Python, Flask, Stable Diffusion, HTML, CSS, JavaScript

Features: Generates high-quality images from text prompts with fast image processing, prompt customization, user-friendly interface, image download option, and responsive web design for smooth user experience.

- **“CosmicPulse AI: Intelligent Detection & Visualization of Radio Signal”**

Tech Stack: Python, Streamlit, LSTM, Isolation Forest, Machine Learning

Features: Detects unusual radio signals through real-time monitoring and live data visualization. Features an interactive dashboard, automated email notifications, signal tracking, and anomaly detection to improve signal analysis accuracy and monitoring performance.

- **“Adventure Tourism Website”**

Tech Stack: Web Development

Features: Responsive tourism website with modern UI design, animated navigation bar, interactive sections, smooth scrolling effects, attractive mountain hero section, hover animations, dark/light theme toggle, mobile-friendly layout, and engaging travel exploration experience.

INTERNSHIP

Title : Web Development Intern.

Place : XPAND, Periyaniickenpalayam.

Period : Three Month.

Built responsive and user-friendly websites with modern design layouts. Worked on creating interactive web pages, improving mobile responsiveness, and developing clean frontend interfaces using HTML, CSS, and JavaScript. Participated in web application development and gained practical experience in frontend design and website optimization.

CERTIFICATIONS

- Web Development Internship Certification – XPAND
- React.js Certification – NoviTech R&D Private Limited.
- AWS Workshop Certification – Nehru Institute of Information Technology and Management.
- Web development Certification – CODE ALPHA
- Enterprise Design Thinking Practitioner was issued by IBM.

WORKSHOP

Workshop on Amazon Web Services – Nehru Institute of Information Technology and Management.
