PROJECTS

1. “Text-to-Image Generation Using Python Web Application”

GitHub: <https://github.com/nagaduraipirabanchan-oss/Text-to-image-generation.git>

Live Project: <https://text-to-image-generation-2.onrender.com>

Tech Stack: Python, Flask, Stable Diffusion, HTML, CSS, JavaScript.

- Generates high-quality images from text prompts with fast image processing, prompt customization, user-friendly interface, image download option, and responsive web design for smooth user experience.

2. “CosmicPulse AI: Intelligent Detection And Visualization Of Radio Signal”

GitHub: <https://github.com/nagaduraipirabanchan-oss/CosmicPulse-AI.git>

Live Project: <https://cosmicpulse-ai-jhu9f3wfo54hwzdksqwurj.streamlit.app/>

Tech Stack: Python, Streamlit, Isolation Forest, Machine Learning,

- Detects unusual radio signals through real-time monitoring and live data visualization. Features an interactive dashboard, automated email notifications, signal tracking, and anomaly detection to improve signal analysis accuracy and monitoring performance.

3. “Adventure Tourism Website”

Tech Stack: Web Development

- Responsive tourism website with modern UI design, animated navigation bar, interactive sections, smooth scrolling effects, attractive mountain hero section, hover animations, dark/light theme toggle, mobile-friendly layout, and engaging travel exploration experience.

INTERNSHIP

Web Development Intern.

XPAND Company | Periyanaickenpalayam,

Duration: 3 Months.

- Built responsive and user-friendly websites with modern design layouts. Worked on creating interactive web pages, improving mobile responsiveness, and developing clean frontend interfaces using HTML, CSS, and JavaScript. Participated in web application development and gained practical experience in frontend design and website optimization.

EDUCATION

2024-2026 – Master of Computer Applications

Nehru Institute of Information Technology And Management

CGPA: 7.84

2021-2024 – Bachelor of Commerce with Computer Applications

Kongunadu Arts And Science College

72%

CERTIFICATIONS

- Web Development Internship Certification – XPAND
- React.js Certification – NoviTech R&D Private Limited.
- AWS Workshop Certification – Nehru Institute of Information Technology and Management.
- Web development Certification – CODE ALPHA
- Enterprise Design Thinking Practitioner was issued by IBM.
